

Tech Rehearsal Schedule June 5 2017 at Genesis Theatre – ALL listed classes must attend, this is to ensure your child knows what to expect and feels confident that they are ready.

- 1) Please arrive 30 mins in advance of your time to sign in
- 2) No costume or makeup needed unless the teacher has specifically asked one student to do so for lighting the costume
- 3) Please bring all appropriate shoes, ballet for the ballet, jazz or toe undies or tap, as required
- 4) Please be patient if we are not done with a child exactly on time, it's not a science and we are reliant upon the theatre's tech crew as to when we start and how long they take to light plus want to ensure the children know what they are doing and leave feeling good.
- 5) If your child's group is NOT listed and they were in competition then they will not be teching at this time, they have already been on stage so many times and know the staging of their dance.
